

PHOTO CONTEST

“Children on the Move”

A snapshot of your daily life

PRECONDITION

On the occasion of the 10th Anniversary of the Marist International Solidarity Foundation ONLUS, we want to propose to children (schools and other social centers) of the Marist World, an educational project about themes linked to the world of the children and their rights.

With this project, we want to use the theme of “Children on the Move “. The migration of children and adolescents from one country to another, alone or accompanied, the movement of a family in the same country or just daily routes from home to school are sometimes in safe conditions and sometimes in dangerous conditions.

The project seeks to raise the general theme of children and adolescent’s rights that should be recognized independently of status, gender or life conditions and encourages all students of different age groups to tell their reality using multiple languages.

PARTICIPANT

Children and adolescents of the Marist world.

The young people should create a photo using a camera or smartphone belonging to the teacher or the Marist contact person that is coordinating the project.

Objectives

- Raise the theme of children and adolescent’s rights
- Raise the theme of inequalities
- Encourage dialogue and interaction of the young people to reach a decision on a photo shoot that demonstrates their creative expression
- Stimulate their critical thinking about social and solidarity themes
- Gather and document the most important experiences
- Fight against the prejudice towards vulnerable people and encourage behaviors more supportive and open towards them.

ARRANGEMENTS FOR PARTICIPATION

The photograph in the format JPG at a very high resolution should be sent to the e-mail address photocontest@fmsi-onlus.it at the latest by **20 October 2017**.

The photo shoots will be evaluated by a qualified jury and an online vote through the social profiles of FMSI.

There will be two winners' categories: "The most voted online" (closure of vote online is **5 November**) and "The jury selection" (three photo shoots for each category).

The first photo selected by the jury will receive a special prize; the first three chosen by online voting will receive a plate.

The winner will be announced during the final event that will be held on the 20 of November in Rome in a special place where the photo will be displayed in a public exposition.

All the groups will receive a certificate of participation.
